4. Public Participation

A member of the public raised concerns about the recent occupation of Northgate House. Cllr Gurney advised that she would contact Broadland Council to establish whether this is a matter for planning enforcement or housing to further investigate.

Concerns were raised about the noise from arguments in the same vicinity. The parishioner was advised to keep an antisocial behaviour diary to monitor the time and frequency, and to call the police if there were any concerns for the welfare of a person.

P.C. Hales had provided a report to councillors. He added that he had received representation from the church regarding poor visibility exiting the church driveway. This had been passed on as a highways concern.

He had also received numerous complaints about the emergency roadworks on Middletons Lane due to their close vicinity to the Cromer Road and being placed over a pedestrian crossing. He had spoken with the site manager and had encouraged the school to approach Anglian Water.

Traffic monitoring equipment had been placed on Mountfield Avenue, Reepham Road and Bernham Road and it was found that there was general compliance with the speed limit. Enforcement notices have been issued to vehicles obstructing the public highway on City View Road. It is hoped that a proposed extension of the car park at The Whiffler will alleviate this problem.

The individual damaging the play area surfacing at the Recreation Ground had been identified and P.C. Hales will update the Clerk about the case in due course.

Discussions occurred as to speeding and the perception of speeding, often with the noise of vehicles being interpreted as a speeding vehicle. It was also noted how difficult it is to police the access only roads.

This had been previously circulated. The following updates were provided:

- There was general dissatisfaction with the way the alleyways in Hellesdon were being maintained. The first report had been made via the Highway Rangers on 6th June and still had not been addressed. In addition to this, the feedback from the Ranger visit had not been forthcoming despite numerous requests. Cllr Gurney recommended that the Clerk put in a complaint to David Allfrey and Graham Bygrave at Norfolk County Council, copying her in in her capacity as County Councillor.
- The parish partnership report was ready to be put to the Parish Council, but would be deferred until the October meeting due to a busy agenda. The application deadline is December.

The report was **ACCEPTED**.

A licensing application for 317-319 Reepham Road was raised. This had been reviewed by the planning committee and no objections were raised.

Cllr Gurney reported that the primary focus of the meeting was to discuss the possibility of Norfolk County Council being able to utilise the old parish office as a family hub for the Broadland District. This will be manned by Children's Services and also utilised by other outreach services such as midwifery. The office itself will be hired to Norfolk County Council at neutral cost, taking into account business rates, electricity and use of welfare facilities. Car Park – Community Centre	Library Bollard Scheme - The deed signed by Hellesdon Parish Council has been sent to Norfolk County Council. A copy of the deed signed by all parties is awaited.
Community Café and Fridge	With the continued problems with receiving donations from Fareshare, an application has been made to 'Neighbourly' which runs a similar scheme covering other supermarkets such as Marks and Spencer. This application is currently showing as 'in review'. After seeking advice from Broadland Council, an application has been made to Veolia for a small grant to keep buying stock for the fridge, and to support allotment holders with compost if they donate to the fridge.
Parish Council Offices Diamond Jubilee Lodge	Adjustments have been made to the Hearing Loop so that it picks up at a better frequency. It was noted that the hearing loop microphones in the ceiling are next to the projector and the air conditioning outlet. This could cause problems with the hearing loop when these items are operational. This has been added to the spec for the Streaming system in the chamber. Other sources for streaming are to be investigated including Meeting Owls and Stream Yard. Also requested report into the possibility of a microphone system in the reception area, to enable both staff and parishioners to be heard without the need to open the security window. A quote has been requested. Fire door closers have now been installed.

The query about the open space provision as part of the s106 agreement on phases 1 and 2 of the Persimmon development was raised to the planning officer on 20th April. This has since been chased, (16 th May and 4 th September) but to date no response has been received.
Public Toilets	No matters to report.
Litter & Dog Waste Bins	<p>Hellesdon Parish Council has raised concerns with Broadland Council over an informal arrangement over the maintenance of litter and dog bins which have been provided by Broadland Council.</p> <p>Broadland Council will be writing to town and parish councils to clarify responsibility for installation and maintenance of street bins'. [17th November 2022] This communication has yet to be received. This has been chased as the environmental assets in the parish are looking to be reviewed (are they sufficient / in the right place). A response was received by Broadland Council on 11th September advising that 'Unfortunately this is still in the process of being reviewed and finalised'.</p> <p>Complaints have been received about repeated litter on Reepham Road, originally generated from a fast food outlet. Recent planning changes have given local planning authorities powers to make new premises install litter bins and/or undertake litter picking, but this does not apply to established businesses. Broadland Council has been contacted for advice [22nd August]. They advise that</p> <p>'Our powers to deal with retail premises that cause a significant litter issue as a result of their customers are contained in the Anti-Social Behaviour, Crime and Policing Act 2014 which allows us to serve a community protection notice on those whose behaviour:</p> <ul style="list-style-type: none"> • has a detrimental effect on the quality of life of those in the locality; • is of a persistent or continuing nature; and • is unreasonable <p>In the first instance we will write to the fast food outlet bringing this matter to their attention with a view to resolving this issue informally'</p>

Highways	Reports of visibility problems with the new zebra crossing on Middletons Lane have been escalated to highways. The Clerk has been chasing Broadland Council as to whether this project is going ahead as no update has been received from Broadland Council. It seems that there has been changes of staffing which has led to uncertainty over the project. This is being followed up with the newly recruited member of staff.</p> <p>Saffron Housing has been emailed over surface water flooding on Angus McKay Court. They have acknowledged that this is their responsibility and are awaiting quotes and further authorisation for the required works.</p> <p>A lack of dropped kerbs has been identified along the Cromer Road, across Lodore Avenue. This will be raised directly to highways for remediation. Further investigation is required into concerns raised about the height of the dropped kerbs on the Saracen Road / Kered Road junction and the conditions of the pathways along Saracen Road. The Kered Road street sign on the junction of Saracen Road has been identified has having rotten posts and will be reported to Broadland Council.</p> <p>Multiple reports of pathway repairs in areas of Meadow Close have been reported to highways, which has agreed to remediate them.</p> <p>Agenda item to discuss Rangers service and alleyways complaint.</p> <p>There was an error in the plans received from Norfolk County Council about the verge cutting delegated agreement area, meaning that areas along the Reepham Road were missed. Our contractor has been given the correct information, and we are awaiting corrected plans from Norfolk County Council.</p>

Meeting of Hellesdon Parish Council 10th October 2023

Items 7b and c

District Councillors Report – Hellesdon South-East

Correspondence from Wetherspoons regarding their contractors attending the Whiffler on 5th October to assess all options discussed at the residents meeting held on 22/08/23. Wetherspoons declined to attend the public meeting held on 25/09/23 to the disappointment of residents. Wetherspoons owner, Tim Martin, visited the Whiffler on 27/09/23, choosing to park at the Mecure Hotel on Whiffler Road. Cllr Douglass missed Mr Martin by 5 minutes.

Meeting held with NCC highways with all District Councillors & County Councillor to discuss review of Cromer Road Bus Lane.

Residents of Mountfield, Hercules, Samson & City View reporting concerns that the Konnect Bus 512 service from the airport park & ride to the UEA & hospital has been permanently diverted down these roads away from Cromer Road bus lane because it is quicker and passenger numbers are greater. The first service of the day at 6am, is a double decker and the air brakes are disturbing residents. These buses also run more frequently than the number 30 service. NCC highways were unaware of this change and are now investigating.

In late August, a resident reported concerns that a property on Cromer Road was being used for growing cannabis. Resident did not feel comfortable reporting directly to police, so we passed the information to Matt Hill & Sam Hales who immediately put the property under surveillance and executed a warrant in mid-September and confirmed that the property had been used for the cultivation of cannabis.

Residents of Links Avenue attended the last full parish council meeting to report concerns Northgate House was being used as an HMO or as a squat. As we were not in attendance due to District Council meeting commitments, Cllr Gurney reported the concerns to Broadland immediately and this is currently being investigated.

Attended the Hellesdon Carnival as part of “Your Hellesdon Councillors” stand. Well attended event, lots of resident engagement.

Completed “Allocation of Housing” training.

Training for “Homelessness Prevention” booked for later this month.

District Council – Hellesdon North West

Following a quiet August, September took off with the Awards Committee and the Appeals Committee being quite hectic. The awards committee has been looking at design excellence for new builds in the area and the appeals committee has been looking into an appeal over a TPO.

A meeting with officers from Norfolk County Council to discuss the initial impacts of the Bus Lane on Cromer Road as been attended.

Broadland’s Full Council meets on 5th October and Cllr Johnson now been appointed to the Planning Committee.

County Councillors Report

The County Councillor's report will be delayed until next month as there are several highways items being considered at the moment, which will be reported upon at the next Parish Council meeting.

Chairmans Report

There have been a lot of events relating to community engagement. I attended the Hellesdon Carnival where we met with parishioners and promoted the work of the Parish Council.

I also attended the quiz at the Bull Pub which consisted of a Hellesdon Round hosted by the Parish Council.

Unfortunately I was unable to attend the MacMillan coffee morning but I'm proud to say that we raised in excess of £200 for a very worthy cause and would like to thank everyone who supported this, and all the recent events.

On 4th October I attended the Norfolk ALC Conference and AGM. There were several interesting speakers, some of which have already generated ideas with the Events Committee and further ideas have been received how to stream the Parish Council meetings. The AGM itself had some difficulties and resulted in the necessity of another meeting to be held at a later date.

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **Hellesdon Parish Council – NO0213**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

None.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

Item 11 - To Receive Update on WC Improvement Project

The Pride in Place Manager at Broadland Council visited site in September to discuss the project and its progress. 'Before' photos have been taken, and 'during' and 'after' photos will also be taken so the project can be monitored.

The asbestos survey has been completed and building regulations approved and the conditions sent to the contractor.

The project is programmed in to start on Monday 31st October. The contractor may do some initial works beforehand but this will be limited because of commitments over half term.

The contractor has offered to do enabling works to the ladies toilet to the west of the building to ensure that these are open during building works. Although it is hoped this will not be necessary as a result of the proposal in item 6.

Proposed colour scheme is attached. It should be noted that there is no natural light in these areas so it is recommended that the colour scheme is kept lighter.

Colors on the screen and printouts may vary from actual products. Please order a sample to ensure color match.

Meeting of Hellesdon Parish Council 10th October 2023

Item 12 – Parish Partnership Scheme

Previously the Parish Council had asked for consideration to be given to bus shelters at the bus stops on Drayton High Road, with emphasis on the bus stop north bound at Hellesdon Hospital.

If a successful application is made, the parish partnership scheme will provide 50% of funding towards the bus shelters. As the project is for 2024/2025, the balance will be precepted for as part of the budgeting process.

There are six bus stops along Drayton High Road without shelters. One of which is not feasible to have a bus shelter installed, three of which can only facilitate a forward facing shelter and the other two can facilitate either a forward facing or a reverse facing shelter.

When giving consideration to which shelters to prioritise, councillors should consider which bus stops gets the most use for passengers to alight, and are more likely to be waiting for a bus, as opposed to passengers disembarking and will therefore not wait but walk straight to their destination.

Costs, ex VAT, are as follows:

- 2 bay cantilever, with perch seat, clear poly carbonate panels and flag bracket - £3383
- 2 bay cantilever, with bench seat, clear poly carbonate panels and flag bracket - £3789
- 3 bay cantilever, with perch seat, clear poly carbonate panels and flag bracket - £4088
- 3 bay cantilever, with bench seat, clear poly carbonate panels and flag bracket - £4708

Please note the contractor will apply for a Notice of Works to Norfolk County Council before any works take place and notify the Senior Transport Officer - Bus Network Co-ordination. The price includes all administration costs, groundworks, installation, labour, travel and disposal costs.

Details of the relevant bus stops are below.

Bus Stops Along Drayton High Road

<p>Southbound, south of Hamond Road</p>			<p>Yes – perch or bench seat</p>	<p>Yes - a reverse shelter is an option</p>	<p>1300mm roof</p>

In addition to the project for Drayton High Road, the Facilities Manager has brought to our attention the condition of the bus shelter on Reepham Road, close to the Meadow Way junction. He advises that the shelter at the junction of Meadow way is several years old and needs new parts, which due to the age, and the company which install went bankrupt several years ago, will need to be replaced in the near future. At present the shelter is safe but if there are grants available maybe a consideration to replace should be sooner than later. This is a 3 bay cantilever with perch seat.

Council could consider incorporating a replacement into the 2024/2025 parish partnership budget.

Neighbourhood Plan – Consultant Appointment Brief

Hellesdon Parish Council is seeking to appoint a consultant to assist in the updating of the Hellesdon Neighbourhood Plan.

Consultants suitably experienced in spatial planning, planning policy preparation, community engagement and with a good working knowledge of neighbourhood planning, are required to assist the Parish Council with the project.

The existing Hellesdon Neighbourhood Plan was adopted in 2017 and runs until 2026. At the time of initial preparation there were significant time constraints. With the updating of the Neighbourhood Plan we wish to investigate whether we have the number of policies required to suit the vision of current Hellesdon residents, and whether existing policies are prescriptive enough to be effective.

The Neighbourhood Plan area will cover the parish of Hellesdon. Hellesdon is located in the Broadland District and has an electorate of approximately 9,000 people. Whilst Broadland is a mainly rural District, Hellesdon borders the city of Norwich and has a largely urban feel.

A Neighbourhood Plan Working Group will be established to oversee the Neighbourhood Plan project. The Working Group will be made up of both parish councillors and local residents.

The working group will meet on a regular basis for the duration of the commission and will be responsible for managing the overall direction and progress of the assignment, ensuring that the commission is executed in accordance with the brief and that key deliverables are produced to the required quality and within the agreed timescale. It is expected that representatives of the consultant team will service these meetings.

The Local Planning Authority is currently working on a Greater Norwich Local Plan (GNLP) which the parish of Hellesdon falls within. Further details of the GNLP and its progress can be found here <https://www.gnlp.org.uk/>

The consultant will be expected to:

1. Attend meetings of the Hellesdon Neighbourhood Plan Working Group.
2. Liaison with the Parish Clerk to agree agendas in accordance with meeting schedules.
3. Liaison with the Parish Clerk outside of meetings to agree and assign action points.
4. Carry out necessary evidence base preparation, including engagement with the local community, to support the Neighbourhood Plan preparation.
5. Carry out comprehensive community and stakeholder engagement to inform the evidence base and test the topic themes that emerge resulting in the establishment of a Vision and set of Objectives
6. Production of all necessary materials, leaflets/questionnaires etc for consultation

7. Draft a set of robust policies for the topic themes that are confirmed drawing upon work carried out
8. Liaise with the Local Planning Authority to ensure adherence of the Neighbourhood Plan to the basic conditions.
9. Arrange for publication and feedback in accordance with Regulation 14 of The Neighbourhood Planning (General) Regulations 2012
10. Draft the intended Neighbourhood Development Plan and the statutory required supporting documents
11. Submit to the Local Planning Authority the completed document in readiness for Regulation 16 of The Neighbourhood Planning (General) Regulations 2012
12. Works to be completed within and 18 – 24 month timeframe, to be set by the consultant, to ensure that there is no gap between the expiry of the old plan and adoption of the new.

Draft policies will need to draw upon the key findings from the evidence base which have helped to shape and inform future development issues which are important to local people and businesses. The policies will also need to demonstrate how they will help to achieve the vision and objectives. It is important that the plan is easy to read, written in plain English and is accessible when uploaded onto the internet. The plan should be a useful and useable document and understood by local residents, businesses and organisations.

Consultants will be required to provide a named project manager to lead and act as the point of contact throughout the duration of this project. The project manager should have sufficient and applicable experience to manage this type of project and be available for discussions and work with the client as required.

The fee for the project and all management associated with the study will be determined, agreed and fixed. This fee will be inclusive of all costs associated with staffing, research, printing, despatch, telephone, travel and any other costs incurred by the contracted consultant. It is proposed that payment will be phased upon completion of key stages of work (to be agreed) in accordance with the specification.

Meeting of Hellesdon Parish Council 10th October 2023

Item 14 – Broadland Family Hub

To Receive Update on Family Hub running from Hellesdon Parish Council Site

As reported in the Parish Council meeting of 12th September, the PP&R Committee agreed that the Family Hub for Broadland could operate from the old parish office next to Hellesdon Community Centre. Norfolk County Council intends to occupy the site from early November, but it is likely there will be a soft start from late October. There is regular activity presently as Norfolk County Council plan their activities onsite.

Norfolk County Council will occupy the old parish office on a lease until April 2025. If government funding is extended, and it is agreed between Norfolk County Council and Hellesdon Parish Council, a rolling lease will occur thereafter. Hellesdon Parish Council will charge rent to cover costs. There will be no profit or detriment to either party.

Norfolk County Council will look to hire rooms in Hellesdon Community Centre on an ad hoc basis. These will be booked through the office and invoiced at the community rate monthly in arrears based on usage.

To date the following has occurred:

- Hellesdon Parish Council has arranged for the office to be linked to the fire alarm (to be charged back to Norfolk County Council).
- Hellesdon Parish Council has arranged for the installation of fire extinguishers and emergency lighting (to be charged back to Norfolk County Council).
- Hellesdon Parish Council has arranged for an electricity meter to be installed (to be charged back to Norfolk County Council) so that electricity usage can be charged to Norfolk County Council.
- The caretakers have refreshed the office by filling in the holes in the walls, painting the office and cleaning the carpet.
- A new lock has been installed.
- Most of the room has been emptied and the process of archiving / sending items to the Norwich Records Office has begun.
- Discussions are occurring on the minor details of the use of the room, including how much cleaning is required and how welfare facilities will work.
- Norfolk County Council estates team is working with the Clerk to create a simple draft lease to ensure that the occupation of the room is cost neutral and to stipulate areas of access for Norfolk County Council (eg: toilets and kitchenette in the community centre).

Item 15 – Defibrillator for the Low Road

To Consider Match Funding for a Defibrillator for the Low Road

At the request of Cllr Gurney, an expression of interest was put in place for funding via The DHSC Community Automated External Defibrillator Fund, for a defibrillator for the Low Road. Applications are now open for funding on a first come, first served basis. To qualify for funding, the Parish Council must:

- Locate the secure defibrillator cabinet outside in an area that is accessible to members of the public 24 hours per day
- Be able to provide an electrical power source to ensure the defibrillator cabinet light and heater operate to keep the device at the right temperature
- Provide match funding for the application (c. £750) –

Could council please advise:

- a) If they would like to apply for this funding.
- b) As part of the application, a location must be specified. Where would this be located?
- c) If the Parish Council wished to go ahead with this, the match funding could come out of the Good Causes for Hellesdon Earmarked Reserve, the balance of which is currently £4,110.06

For the Attention of:

Dear Sirs,

Formal Complaint from Hellesdon Parish Council

Hellesdon Parish Council has had repeated problems with the Highway Ranger service, so much so we feel there is no other option but to escalate to your attention.

Periodically we receive an email advising that the Street Scene Inspectors will be in our area from a certain date, and to report areas of concern to Highways using the title RANGER and our parish name in the title of the email. At the end of this email, we are advised by Norfolk County Council that *'We aim to provide feedback on the work which has been carried out during the visit this will follow within a few weeks'*. From the email received advising the Street Scene Inspector would visit Hellesdon from 27th June 2022, responded to with a list of matters to look at on 21st June 2022, it took until 15th September to receive feedback from Norfolk County Council, with chaser emails sent on 25th July 2022 and 8th August 2022.

A year on and we received advice that the Street Scene Inspectors would be in our area from 3rd July 2023. On 6th June I asked for the following to be reviewed by the Inspector:

- FP2 – Mountfield Ave to Hercules Road
- FP1 – Links Ave to Berkley Close
- FP4 – Woodland Road to Yelverton Road
- FP5 - Drayton Wood Road to Woodland Close
- FP6 – Heath Close to Fifers Lane

I asked for these to be reviewed because these alley ways are contentious every year with overgrown vegetation. The same email from Norfolk County Council promises *'feedback within a few weeks'*. This feedback has been chased on 3rd August and again on 22nd August. We are now Mid September and no action has been taken and no feedback has been received.

Moving on to the second part of the complaint, this is relating to the aforementioned alley ways. As mentioned, every year they become overgrown, hence my reason for asking the Inspector to review them. Having made a Freedom of Information request to Norfolk County Council it is established that these alley ways have no set maintenance programmes. This is disappointing as the vegetation grows every single year, so really do need a proactive annual maintenance regime. Instead we are advised that the maintenance programme is reactive to complaints. Aside from the fact that this appears to pass the inspections and fielding of complaints to parish councils with no manner of consultation as to the extra resource required of the parish, the reactivity of the maintenance is clearly not true, as they were requested to be inspected on 6th June and still no action has been taken.

To assist in the resolution of this complaint, Hellesdon Parish Council would like to know:

- 1) What steps are being taken to improve the Ranger service, as inspections and feedback are clearly not what is promised in the communications?
- 2) With weeds growing annually could Hellesdon Parish Council please have an annual maintenance regime put in place for FP1,2,4,5 and 6?
- 3) If no maintenance regime will be put in place, could there be a discussion about devolving the service for the aforementioned areas to Hellesdon Parish Council? To avoid double taxation of our parishioners there would have to be a sum commuted to Hellesdon Parish Council to compensate for the works.

If you require any further information, or would like to discuss this matter in more detail, please do not hesitate to get in touch.

Your sincerely,

Faye LeBon
