REPORT TO FULL COUNCIL

Subject: Co-Option

Author: Natasha Carver

Date: 07th April 2021

Following the advertisement for a vacancy on Hellesdon Parish Council. The vacancy had previously been advertised, and no election requested. The Council is now able to fill the vacancy by co-option.

Interested applicants were asked to contact the clerk by 12noon on Thursday 1st April 2021. The bellow application was received to be considered.

Application received.

Lacey Douglass

Please briefly outline of why you are interested in being a Parish Councillor.

I would like to be a Parish Councillor as I have always been interested in my local community and helping the people who live in it. I have wanted to be a councillor for quite some time, but family commitments prevented me. Now that my family are older, I can give time to helping my community.

I have lived in Hellesdon for 39 years. My family for several years ran a local Greengrocers shop in City View Road, which is where I lived until very recently when I re-located to Drayton Wood Road. I was educated in Hellesdon Schools. I was married at St Mary's Church in Hellesdon in 1997 and have two children, a daughter of 17 and a son of almost 12.

In my spare time I enjoy cooking, gardening and socialising with friends and family. I have many transferable skills which I think would prove an asset as a local Councillor.

I am passionate about Community issues and caring for all our residents. I have much to offer and am keen to help the Parish Council make a real difference. I hope you will consider me favourably for this vacancy.

Please tell us something about the life experience you will bring to the Council, for example, previous local government experience, work in the voluntary or charitable sector, business or trade union experience.

I volunteered at The Heathers Nursery as treasurer for 11 years before a management restructure saw the Administration Managers role created and I have been employed by The Heathers Nursery for the past 5 years. I freelance as business and charity advisor for Arden Grove Pre-School and St Faiths Pre-School and I'm currently working with The Wensum Trust on their early years projects. I'm the early years representative on the Norfolk Schools Forum and The Norfolk Early Years Safeguarding Forum. I also run the Norfolk Early Years Providers Facebook page. I am passionate about early years and children receiving the very best early start in life possible. When my daughter attended Heather Avenue Infant School I volunteered for and worked with the then Head to plan and raise funds for their kitchen classroom.

Prior to having children I worked for an IT company and a vets – all quite different sectors but all have given me skills in all areas of business and the charity sector

I'm also one of the Admins on the Hellesdon Life and Events Facebook group along with two other Hellesdonites and through that page and with the help of the Parish Council I was able to set up the Hellesdon Hampers Appeal over Christmas. It was a privilege to work with the Parish Clerk and Councillors on this project. This collaborative working gave me opportunity to lean in more detail how the council works and what it is responsible for.

Please tell us something about the skills you feel you will bring to the Council, for example, professional qualifications, financial or project management expertise.

I am a qualified bookkeeper with 25 years of payroll experience. I hold a pediatric first aid certificate, a Safeguarding Lead Practitioner certificate and have attended Safer Recruitment & Staff Supervision and Appraisal training along with various other early years focused CPD.

In my roles within early years I write policies, undertake recruitment, financially plan and budget, run payrolls, ensure charity, Ofsted, LA and Government compliance, undertake DBS & ID checks, find funding sources and manage facilities.

Hi there,

I am hoping you will be able to help us acquire a few trustees for our charity run Pre school. Would you be able to ask any of the councillors please if they would be interested in becoming a trustee?

We are converting over to CIO this year and will no longer be committee run. This will be to ensure our continued running of our Pre school.

Please let me know.

Many thanks

Norfolk County Council

1 Million Trees for Norfolk Update:

Applications and offers of support for tree planting as part of Norfolk County Council's ambitious plan to plant 1 million trees will open in May. At this time, we will encourage landowners to step forward to establish, nurture and maintain trees and hedges to deliver lasting benefits for the environment and Norfolk.

Each County Councillor will have budget to spend on tree and hedge planting to support this great initiative. Where possible we aim to make this funding stretch further by working with partners. We have been linking up with the Woodland Trust, The Tree Council, Defra and the Forestry Commission to get a range of planting offers for the coming year.

We will ensure that the right trees are planted in the right place for the right reason. We will match the planting that communities want with the best funding sources, so that we can deliver as much planting as possible; at all scales from individual trees, gapping up existing hedgerows, up to the creation of large woodlands

As well as reducing the amount of plastic and herbicide used to establish trees, we will be asking communities to help us remove redundant plastic from old planting schemes so that it does not enter the soil and food chain.

Until we open up offers for tree planting in May, we welcome suggestions on the type of planting landowners and particularly community groups would like to carry out. So far, we have received a wide range of suggestions, such as planting more trees within hedgerows, setting up community tree nurseries and planting more roadside hedges to reduce snow drifts.

To help you understand your local area better we have produced a new map, [The Tree and Hedge Explorer](#) which shows all the trees and hedges across Norfolk. It is possible to overlay old historic maps onto this so that you can see where hedges, trees and woodlands used to be and how the trees can connect landscapes. Please use this mapping to find out more about your area and help you plan where planting could have the most benefit and link with neighbour's trees and hedges.

More than 24,884 tree and hedge plants have been planted to date on parts of Norfolk's County Farms estate to increase tree cover and improve the condition of hedges. The tree planting includes Elm trees resistant to Dutch Elm disease. The hedging plants have been planted in biodegradable spiral guards into jute matting to make sure that the plants get off to the best start and to reduce plastic and herbicide use.

COLD CALLING DON'T BUY IT!

We are working in partnership with Norfolk County Council Trading Standards. If you are cold called we offer the following advice:

- If someone cold calls at your property, remember it is your doorstep so your decision whether you even answer the door, if you can check through a doorbell camera, spy hole or look from a window to see who is there
- Think about your home security, make sure other doors to your property are locked before answering the front door
- If the person is offering services or trying to sell something politely but confidently say you are not interested and close the door
- If the person is claiming to represent an authority, organisation or charity ask to see ID. If ID is offered, ask if you can take it to check its validity. If you are given the ID close the door and contact the company or organisation on the ID by a number you find online. **DO NOT** use information on the ID, it could be fake

If no ID is offered, the caller refuses to let you check it, or you can not verify it is genuine politely but confidently say you are not interested and close the door.

- As the cold caller leaves, if you can safely from inside your property watch and see:

Do they go to call at neighbouring properties?

Do they return to a vehicle, is it sign written, note down the registration plate, make and model?

Are they alone or working with others?

Note down a description of the cold caller, why they were calling, who were they representing – all of this information is very useful to Trading Standards and the Police.

You can report doorstep cold calling incidents to us via our partners the Citizens Advice consumer helpline on freephone 0808 223 1133 or to Norfolk Constabulary on 101 or www.norfolk.police.uk. If you feel threatened or have concerns for vulnerable neighbours always dial 999.

Dear Sir / Madam,

Proposed Zebra Crossing, Hellesdon – Middleton's Lane

Norfolk County Council are looking to carry out highway improvements works at the existing pedestrian crossing point on Middleton's Lane, Hellesdon, outside of Firside Junior School by installing a new zebra crossing.

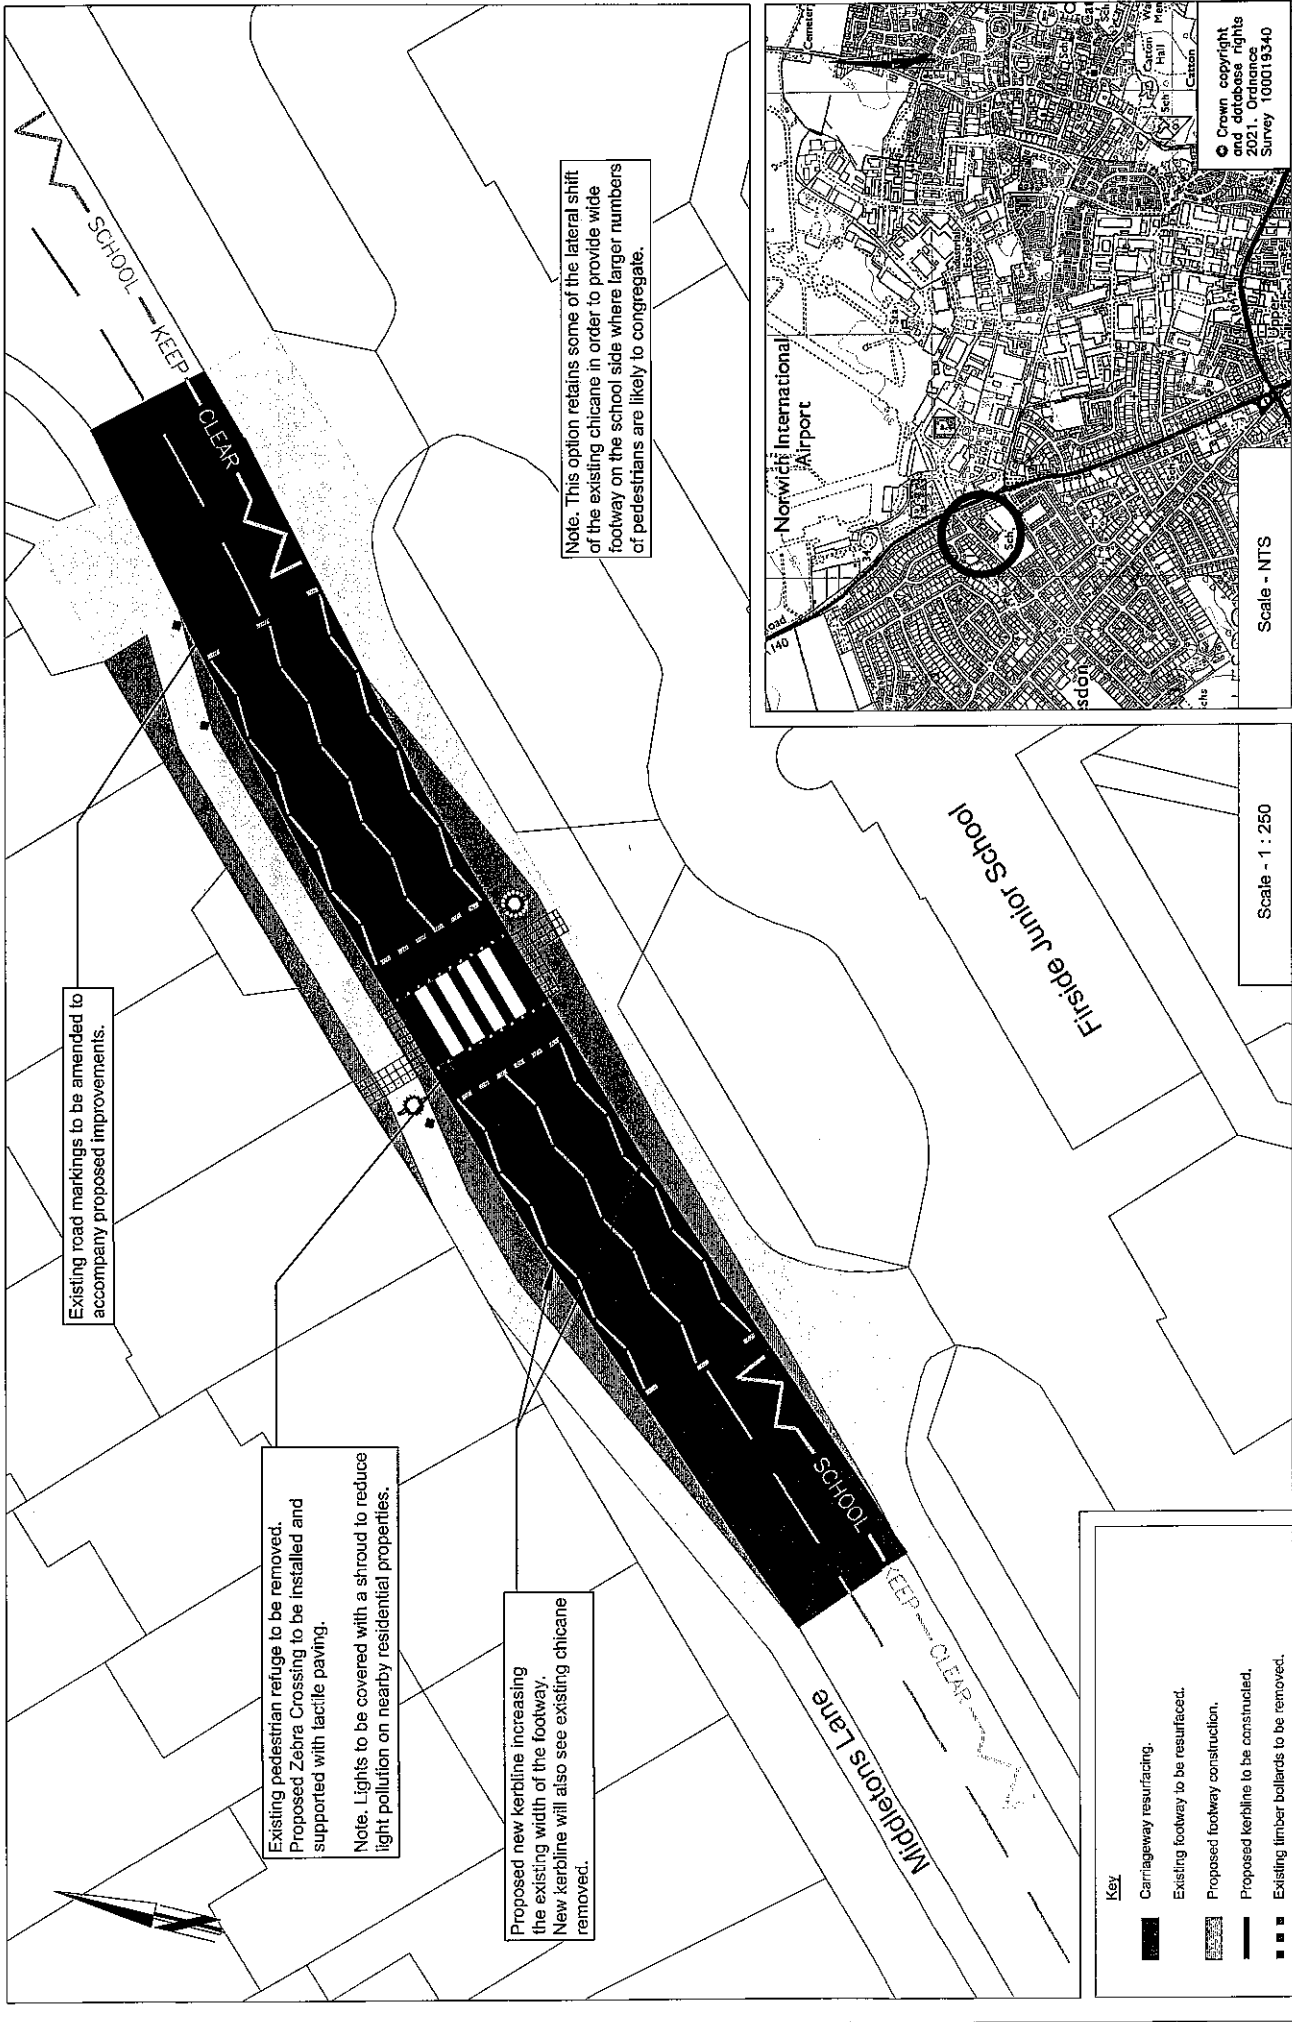

These improvements aim to improve safety for pedestrians wishing to cross Middleton's Lane. For the works to be carried out, we will be proposing a new kerb line which will see the existing road alignment altered slightly by reducing the lateral shift on the existing chicane. This reduction in lateral shift is being proposed to provide wider footways where large numbers of pedestrians congregate. In addition, it is proposed to replace the existing pedestrian refuge with a new zebra crossing with tactile paving. It should be noted that the beacons will be provided with 'shrouds' in an attempt to limit light intrusion into nearby residential properties. Please see the attached consultation plan PHA042-HP-CON-001 for more details.

Before progressing with the improvement works, I should be grateful if you would kindly consider lending your support to the proposals. Any comments should be forwarded to myself by 21 April 2021. For your convenience I have enclosed a reply slip.

I shall assume you have no adverse comments if you do not contact me by the above-mentioned date. However, it should be noted that opportunity to comment will still be available during the later consultation stage.

Do not hesitate to get in contact via the details provided if you have any questions regarding the proposals.

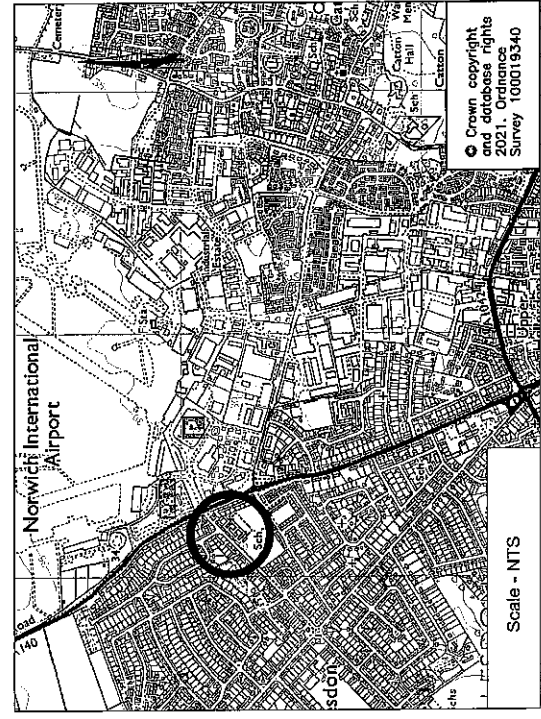

Yours faithfully.

Existing road markings to be amended to accompany proposed improvements.

Existing pedestrian refuge to be removed.
Proposed Zebra Crossing to be installed and supported with tactile paving.
Note. Lights to be covered with a shroud to reduce light pollution on nearby residential properties.

Proposed new kerbline increasing the existing width of the footway.
New kerbline will also see existing chicane removed.

REPORT TO FULL COUNCIL

Subject: Tree Council Donation Request

Author: Natasha Carver

Date: 07th April 2021

The following email was received in the office:

To all Clerks to Town and Parish Councils and Parish Meetings.

Good Morning,

As we approach the new financial year may I please make my now annual request for your council to make a donation to this Network to help us to continue our work which I trust you will agree is most valuable. We now have 40 registered Tree Wardens covering 26 of Broadland's 64 parishes (the greatest number Broadland has ever had, even in the days of the Broadland District Council Network) and we are doing all we can to increase that further.

Donations from the parishes is our sole source of income. The money we receive from Broadland District Council can only be spent on tree planting and therefore we have to seek other sources of income.

In 2021-2022 our expenditure will include our annual subscription to The Tree Council (between £200 and £300), personal injury insurance cover for our Tree Wardens (TBA) and certified training courses (as and when funding will permit). None of us take expenses or any other form of remuneration.

So, may I please ask your council to consider a suggested minimum donation of £30 for 2021-2022.

I thank you in advance.

Kindest regards,

John

Subject: Armed Forces Covenant for Parish Council
Attachments: 200506EA-ES-AFC-Template-ParishTownCouncil.doc

Dear Parish Clerk,

We are getting in touch to see if your parish council would like to support our armed forces by signing the enclosed Armed Forces Covenant for Parish Councils

There are two parts of the Covenant.

Section 1: Principles of the Armed Forces Covenant

- no member of the Armed Forces Community should face disadvantage in the provision of public and commercial services compared to any other citizen
- in some circumstances special treatment may be appropriate especially for the injured or bereaved.

Section 2: Demonstrating our Commitment

Each Parish Council can choose how you support your Armed Forces community. This could include:

- supporting remembrance activities and Armed Forces events
- having an Armed Forces Champion within the Parish Council
- being Armed Forces friendly.

You can update Sections 2.1 and 2.2 to reflect your how your parish wants to show its commitment.

Signing a Covenant should be a simple and straightforward process.

Broadland District Councils has signed the Covenant and we are proud to have a Silver Award from the Employer Recognition Scheme that is part of the Armed Forces Covenant.

We would be happy to share our experiences of being part of the Armed Forces Covenant and the benefits this brings. Alternatively, we can put you in touch with the Armed Forces Covenant's East Representative, Kristina Carrington. She would be happy to discuss further with you either by telephone or zoom.

If your Council would like to sign the Covenant, would like any further information or if we can help in any way, please get in with me on Sarah.oldfield@broadland.gov.uk or telephone 01603 430121.

Kind regards
Sarah

The Armed Forces Covenant

An Enduring Covenant Between

The People of the United Kingdom

Her Majesty's Government

– and –

All those who serve or have served in the Armed Forces of the Crown

And their Families

The first duty of Government is the defence of the realm. Our Armed Forces fulfil that responsibility on behalf of the Government, sacrificing some civilian freedoms, facing danger and, sometimes, suffering serious injury or death as a result of their duty. Families also play a vital role in supporting the operational effectiveness of our Armed Forces. In return, the whole nation has a moral obligation to the members of the Naval Service, the Army and the Royal Air Force, together with their families. They deserve our respect and support, and fair treatment.

Those who serve in the Armed Forces, whether Regular or Reserve, those who have served in the past, and their families, should face no disadvantage compared to other citizens in the provision of public and commercial services. Special consideration is appropriate in some cases, especially for those who have given most such as the injured and the bereaved.

This obligation involves the whole of society: it includes voluntary and charitable bodies, private organisations, and the actions of individuals in supporting the Armed Forces. Recognising those who have performed military duty unites the country and demonstrates the value of their contribution. This has no greater expression than in upholding this Covenant.

Section 1: Principles of the Armed Forces Covenant

1.1 We, **XXXX Parish Council**, will endeavour in our business dealings to uphold the key principles of the Armed Forces Covenant, which are:

- *no member of the Armed Forces Community should face disadvantage in the provision of public and commercial services compared to any other citizen*
- *in some circumstances special treatment may be appropriate especially for the injured or bereaved.*

Section 2: Demonstrating our Commitment

The following are suggested draft pledges; please delete, add or change any to suit your circumstances. Your Covenant may be reviewed and pledges changed at any time in the future to reflect changing circumstances.

2.1 We recognise the value of serving personnel, reservists, veterans and military families; and will aim to uphold the principles of the Armed Forces Covenant, by seeking to:

- appoint an **Armed Forces Champion** to promote support for the Armed Forces community;
- promote the fact that we are an **Armed Forces-friendly Council**, to our members and wider public; celebrating the work of the Armed Forces and encouraging positive interaction between them and members of the public;
- support the employment of military **Veterans**; recognising that they are a valued part of our community; facilitating and encouraging their participation in civic and community events; providing a link to the Veterans Gateway on our website; encouraging local businesses to support the employment of veterans;
- support the employment of **Service Spouses & Partners**: encouraging local businesses to support their employment;
- encourage support for the **Reserves Forces**; encouraging local businesses to support the employment of Reservists;
- encourage support for military sponsored **Cadet Organisations**; encouraging support for and membership of local cadet units;
- support and promote support for **Armed Forces Events** such as local Breakfast Clubs, Coffee Mornings, Armed Forces Day, Reserves Day, the Poppy Appeal Day and Remembrance activities;
- support and promote support for **Armed Forces Charities**;
- encourage local businesses to consider offering discounts to members of the Armed Forces community.

2.2 We will publicise these commitments through our literature and on our website, setting out how we will seek to honour them and inviting feedback from the Service community and our customers on how we are doing. *(Amend as appropriate)*

Policy for Dealing with Planning Applications for Hellesdon Parish Council

Introduction

This procedure sets out how Hellesdon Parish Council considers planning matters on which it is consulted by Broadland District Council. It takes into account that:

The consultation period for planning applications is 21 days, which means that all planning applications can be considered by the Parish Council planning committee at its scheduled meetings.

The Parish Council believes that its residents are best served by the Parish Council responding to applications in a timely fashion

Hellesdon Parish Council notes that the best method by which the Parish Council comments on Planning Applications is by discussion at a scheduled meetings, to which members of the public have been invited by public notice. Planning is also a standing item on all ordinary meetings of the Parish Council.

An additional meeting will always be called to comment on potentially contentious planning applications.

The Parish Council does not usually meet in August and this can prove an issue when dealing with and commenting on non-contentious planning applications which, due to time restrictions, cannot wait for the September meeting

This protocol will be used for all planning applications

Standard Process

1. On the receipt of any planning application the Parish Council staff will record the application in the planning log kept especially for the purpose.
2. The planning application will be added to the next planning committee agenda with a copy for the Parish Clerk.
3. If needed and possible the Parish Council administrative officer will apply to Broadland District Council for an extension to the period in which a response is required
4. The application will be taken to the next Planning Committee meeting
5. The response to the application will be sent by e-mail to the relevant planning officer the day following the Planning Committee meeting

6. The response will be noted in the planning log
7. The decision recorded in the minutes and which will be taken to the next planning committee and full council following the decision being reached

Non-Standard Process

should any meeting need to be cancelled due to either the meeting being inquorate or other unforeseen circumstances.

1. On the receipt of any planning application the Parish Council staff will record the application in planning log especially for the purpose.
2. The planning application will be added to the next planning committee agenda with a copy for the Parish Clerk.
3. If possible, the Parish Council administrator will apply to Broadland District Council for an extension to the period in which a response is required
4. If no extension is possible a notification of the receipt of a planning application will be e-mailed to all councillors on the planning committee with a copy for the Parish Clerk. The Parish Councillors will be asked to comment their view by email to the Parish Clerk.
5. The Parish Clerk will assemble the views and respond to Broadland with the majority view. If there is a distinct division in views then the Parish Clerk can e-mail for further guidance from councillors
6. The response will be noted in the planning log and recorded on the planning documents and placed on the next agenda
7. The decision will be recorded placed on the next Parish Council agenda following the decision being reached

Summary

One of the following options shall apply when notice of a planning application on which the Parish Council is invited to comment is received.

Option 1:

If there is a scheduled Planning Committee meeting before the end of the consultation period (including any agreed extension) then the Clerk will place the matter on the Agenda for that meeting and any decision will be taken at that meeting.

Option 2:

If there is no scheduled meeting before the end of the consultation period, but the Parish Clerk in consultation with the chairman of the planning committee considers that the application should be considered by the full Parish Council then a special meeting will be called

for this purpose and any decision taken at that meeting.

Option 3:

In other cases any response by the Council shall be delegated to the Clerk who shall seek views from members

Signed by Chair,

REPORT TO FULL COUNCIL**Subject: Apiary Funding****Author: Natasha Carver****Date: 07th April 2021**

Following the meeting of the Playing field, allotment and amenities committee, the setup of a community apiary was discussed.

The committee agreed the previously allocated area for the apiary requires fencing to help protect the bees providing a sheltered area and encourage them to fly up helping the bee flight path. This also that your beekeeping does not become a nuisance to other people as stated in the code of practice 2011.

The site would need fencing on all 4 borders with a lockable access gate. Speaking with a fencing contractor an estimate cost of £3500 for full installation was quoted. As this is a soft ground site the fencing can be easily installed by our own staff. The cost for the fencing including post mix and concrete gravel board would be in the region of £1700.

Currently there is no allocated budget for fencing on the site, as the area is part of HEL 2 my officers recommendation is to allocate up to £2000 from EMR Hel 2 for the fencing.

This project has been advertised for any resident of Hellesdon to be part of the working group and or associated friend group, it is not just exclusively for allotment holders. The project will benefit the community in positive manner, helping many with loneliness/isolation and mental wellbeing. To help launch the project and be able to start this year my officers recommendation to seed fund the start up with money from EMR Good Causes for Hellesdon.

Items for council to consider

- **To agree funding for fencing of community apiary**
- **To agree earmarked funds for community apiary and orchard**
