

## **Planning Protocol**

### **Policy for Dealing with Planning Applications for Hellesdon Parish Council**

#### **Introduction**

This procedure sets out how Hellesdon Parish Council considers planning matters on which it is consulted by Broadland District Council. It takes into account that:

The consultation period for planning applications is 21 days, which means that all planning applications can be considered by the Parish Council planning committee at its scheduled meetings.

The Parish Council believes that its residents are best served by the Parish Council responding to applications in a timely fashion. This should be done at scheduled Planning Committee meetings, to which members of the public have been invited by public notice. Planning is also a standing item on all ordinary meetings of the Parish Council.

An additional meeting will always be called to comment on potentially contentious planning applications. By agreement of the Chair of the Council and the Chair of the Planning Committee, full council may consider a response on a major application which is likely to be contentious to the community.

This protocol will be used for all planning applications
